“ My condolences to the Williams family. In some way or another we have shared a memory. My sister was Wanda's classmate and I am Christina's classmate. I have been the Williams home always loved to see Mrs. Edna's smiling face. Then in later years Wanda dated my cousin Anthony.

My hopes is that the family will be comforted in knowing Wanda is no longer suffering and in her eternal home awaiting loved ones.

“ My heart goes out to the family. May she rest in sweet peace until our Master's return. This has been a challenging year for the family -- to say the least. Praying for strength for the family.
