“ So glad I had the opportunity to talk and joke around with you one last time before you went home. You know I will forever love you, my favorite uncle who I have known all of my life. The memories go on forever, we had a great time riding to Texarkana on the weekends and stopping at the Polar Bear for burgers on the way back. I cleaned the interior of your cars, hung out with you Auntie and Eddie, and was ever present at your dinner table. It's a very difficult time for us, losing you and Toney in less than a month, but we are going to keep you both alive in our hearts. May you be at peace.
