“ I'll never forget all of the memories we made in what little time I got to be around Zac in my sophomore year at El Dorado High School. Whenever I was in my AP Computer Science class, I would always hope that Zac would be there so that the class and my day would be less gray. Without him in that class my days felt so dim and dull, he was a major light in my life just by being there during a dark time. He will be sorely missed by me, and many others that he so kindly graced with his light. I hope and wish I was able to do the same for him. God bless you, McClellan family, I can never imagine the burdens you now bare. I was just one of those everyday people that I never even mentioned to him that he helped me get through dark times myself to such a high extent. May we all continue to be a light in others' lives, including the people we hold so dear. My love and prayers to all 🙏

“ I had the privilege of being one of Zac RAs during his time at SAU. I can't count how many times we stayed up far too late playing a variety of video games, pool, board games or just talking around the Fincher lobby about life and memories. He was one of those people that lit the room up when he entered. He was a friend to everybody and I wish I could have one more day to hang out with Zac.

To one of the coolest guys I know and one of the best gamers I've ever met, rest in peace

Love you buddy

“ Zac’s warm and loving personality will always be missed by those who were fortunate enough to know him. There are no words to express the impact Zac has made on my life and countless others. Zac always put other before himself and was able to make friends everywhere he went. I will never forget all of our dinners at La Villa, and the memories I have had the privilege of sharing with Zac. My deepest condolences go out to Zac’s family during these difficult times. Zac and you will always be in my thoughts and prayers.

“ I am saddened to hear this. Zachary always smiled in the hallways of El Dorado High School. I did not know him personally, but I always remembered him because of his smile. I send condolences to the family from me and my brothers.

“ To Zach's family, you have our most heart felt sympathy. Zach was a dear friend to our son, KC Hall. He spent time with us through their friendship and was a kind, funny, witty young man that put a smile on our face. We treasure his memory, until we meet again in Heaven. We pray God give you what you need at this time of mourning.

So sad to hear this. Zac was a good young man blessed with a happy personality and the ability to make people smile. He will be missed. God tells us that he will be with us during our troubled times. He does not tell us we won't have them just that he will give us the strength to get through them. God be with you
