“ Zach was a very wonderful Sunday School Student for many years in my class. He was quiet but he would try to make me laugh many times so we had fun during class time. *Zach was like a burst of sunshine to all who came in contact with him. His soul now is with His Lord and Savior Jesus Christ, now his body is resting from all the hurt and pain this old world held for him. In the wee hours of the morning, God whispered, "Zach you have a glorious future awaiting you in my presence, come and rest from your labor and get your reward. Heaven is described as a place of beauty, perfection, and joy, where God's presence is fully experienced. Rest easy and enjoy the beautiful experience of God's presence. You will be truly missed. See you later.*
