“ *Mrs. Louise was like a second mother to me. One time I came home on leave from the US Army and she made a hamburger for me in her roadside dairy. I noticed how she took her time and made the hamburger with loving care. We sit and talked about so many things. I will miss you.*

Yet another leaf from the Toney family tree has fallen this season. Louise will always have a special place in my heart. She was in deed a special person with so much love and grace. She hosted my bridal shower, was always there for the Toney family reunions cooking and serving. She loved family and friends dearly. She will be truly missed.
